First National Bank is proud to support organizations that serve our communities through the Community Impact Foundation, funded by employees and matched by the Bank.

Last week, we were honored to present checks to [Kids' Haven: A Center for Grieving Children](#), the [National Center for Healthy Veterans](#), the [Music Resource Center](#), and the [Northern Pittsylvania County Food Center](#)!

Pictured here are the organization representatives receiving their checks from First National Bank CIF Committee Members! Thank you for your hard work to improve the communities that we serve!

First National Bank is joining forces with God's Pit Crew and Gleaning For The World to support those affected by recent Hurricanes Helene and Milton.

We are organizing a Disaster Relief Drive to provide much-needed assistance to communities in recovery. Collection bins will be located in each branch through November 8th. Your contributions can make a significant impact, so please consider donating! Check out the graphic for most needed items for both organizations.

Last week, we delivered the many donations of essential items that First National Bank raised for victims of the recent hurricanes to God's Pit Crew in Danville and Gleaning for the World in Concord! The few donated items that these organizations were unable to process were delivered to Parkview Mission and Mission Thrift to support those in need closer to home.

While the road to recovery will be long, we're proud to have made a small but meaningful impact. A heartfelt thank you to everyone who contributed—your generosity is making a difference in the lives of others!

Ringing in the Holiday Spirit!

It was a heartwarming day ringing the bell for the Salvation Army's Red Kettle Campaign.

Plus, the future of FBNation got to help out and learn a little about giving back!
