Tonight's FNB Community Spotlight shines on the Jubilee Family Center in Lynchburg, which we were honored to visit today.

Founded almost 25 years ago, the Jubilee Center offers local youth services and educational programs. The Jubilee Center has made a remarkable difference in our community with its focus on the needs of the individual youth, providing them with social skills and knowledge to help them as they grow.

Along with a \$1,000 donation presented to the Jubilee Center, the kids and staff enjoyed some popsicles from the bank. We're not sure who enjoyed the popsicles more -- the little kids or the big kids!

Thank you to Sherease Booker, Downtown Lynchburg & Odd Fellows Road Branch Manager and Tony Goodman, Mortgage Loan Originator for joining the fun today passing out popsicles (and even playing some bball with the kids)!
